General Information

This guide is intended to help guests respond to emergency situations that may occur at the Shawnee Inn and Golf Resort.

Reporting an Emergency

Call the Operator at ext. "0", and state "This is an emergency".

Give the operator: The nature of the emergency, your Name, your Phone Number, your Location.

Do not hang up until you are sure that no further information is required, unless there is an immediate threat to your safety.

Evacuation Routes

In the event of an emergency, please use your primary evacuation route, unless it is blocked, then use the secondary route. All guests should proceed to the putting green located in front of the Inn and wait for further instructions.

Please keep all roadways clear for emergency vehicles.
